ACKNOWLEDGEMENT

My first and foremost hearty gratitude goes to, **SunRise University family**, whose perpetual torrent of knowledge enriched and guided me at every step not only as a supervisor but also as a father and a spiritual preceptor. His moral teachings and spiritual inspirations will act as a stern rod and blessings at every step where I happen to stumble.

My hearty acknowledgements are also due for who responded to my questionnaire providing me with their valuable time, which enabled me to perform and complete my project within the assigned time limit.

Gratitude in any words would be insufficient for the inspiration and the help that I received from **staff of all University Libraries, Department of Research and all of my University members** who were anxious to see the work completed. I express my gratitude to them.

Without the enthusiastic encouragement, good wishes and moral support of my beloved family members I could have not completed the work. They took upon themselves, all family responsibilities ungrudgingly and patiently. I place on record my appreciation for all my well-wishers.
